

# CIBE USA NEWSLETTER

## WELCOME TO OUR Bi-Monthly Publication

**Prof. Paul Adebayo Adejola, FCBE (USA)**

### From the Desk of the President/Training Director, CIBE USA

Dear Visionary Leader,

In today's fast-changing world, relevance is not a reward—it is a responsibility. Whether you're a student shaping your future, a professional climbing new heights, or an academic leading the next generation, one truth remains: your growth depends on your alignment with global excellence.

That is why I invite you to join the Certified Institute of Business Entrepreneurs (CIBE), USA—not just as a member, but as a trailblazer.

🌐 CIBE is more than a professional body—it's a global movement.

We exist to empower individuals like you to unlock opportunities, lead with innovation, and build transcontinental networks that redefine success. Our training, certifications, and summits aren't just programs—they are launchpads.

Here's what membership guarantees:

- ✓ Global certification that commands respect
- ✓ Access to international conferences and training
- ✓ Professional advancement through mentorship and research
- ✓ A seat at the table of global thinkers, entrepreneurs, and change-makers

Don't just exist in your field. Dominate it.

Join CIBE USA today and become part of a visionary league of world-class professionals driven by purpose, powered by innovation, and positioned for global impact.

🔑 The future doesn't belong to the passive. It belongs to the prepared.  
See you at the top.

In your success,

👉 Prof. Paul Adebayo Adejola, FCBE.

## UK CONFERENCE TRAINING STREAM 1

### CIBE, USA Hosts Transformative Leadership and Innovation Conference in the United Kingdom

The Certified Institute of Business Entrepreneurs (CIBE), USA, in collaboration with key international partners, successfully hosted its highly anticipated 2024 United Kingdom Training Conference – Stream 1, held from September 16 to 20 at the DoubleTree by Hilton, Dartford, Kent.

Under the overarching themes "The Neuroscience of Leadership & Management," "Emerging Technologies in Finance, Auditing & Project Management," and "Enhancing Project

Monitoring, Evaluation & Global Procurement," the event brought together a diverse mix of distinguished academics, policy makers, top executives, and professionals from across Africa, North America, and Europe

From the electrifying opening by Dr. Joshua Atah (NUC Nigeria) to thought-provoking papers by global experts such as Prof. Paul Adebayo Adejola (Training Director, CIBE USA), Prof. Patrick Mensah (Southern University, USA), and Ann Healey (Dean, LCCA UK), participants were immersed in a week-long exploration of brain-based leadership, cutting-edge technologies, and strategic project evaluation practices

### Key highlights included:

- Interactive sessions on Emotional Intelligence, AI & Big Data, and High-Performance Teams.
- Brainstorming labs on Grantsmanship, Critical Thinking, and Global Procurement.
- Networking events and group tours, fostering international collaboration and professional bonding.
- Presentation of Certificates and wrap-up remarks from Vice Chancellors, closing the event with distinction.

In keeping with CIBE's mission to empower professionals with practical knowledge, this conference exemplified experiential learning, hands-on strategy, and entrepreneurial innovation at its best.

Stay connected with CIBE for upcoming summits, certifications, and capacity-building programs that transform leaders and enterprises globally.

## UK CONFERENCE TRAINING STREAM 2

### CIBE, USA Stream 2 UK Training Conference Empowers Professionals with Innovation and Insight

The Certified Institute of Business Entrepreneurs (CIBE), USA, once again delivered a high-impact international training experience with Stream 2 of the United Kingdom Training Conference, held from October 6–12, 2024, at the Radisson Hotel & Conference Center, London Heathrow

Themed around “The Neuroscience of Leadership & Management,” “Emerging Technologies in Finance, Auditing & Project Management,” and “Enhancing Project Monitoring, Evaluation & Global Procurement in a Changing World,” the conference attracted top-tier professionals from academia, public service, and the private sector across Africa, Europe, and North America

### Key highlights of the week-long program included:

- Engaging sessions on AI, Big Data, Emotional Intelligence, and Digitally-Driven Leadership.
- Hands-on activities like decision-making under pressure, effective fund management, and sustainability beyond donor funding.
- Power-packed sessions on grantsmanship, cultural intelligence in business communication, and wealth creation.
- Strategic networking opportunities, cultural tours, and an Open Day that inspired cross-border collaborations

The training concluded with a formal certificate presentation ceremony, closing remarks by university vice chancellors, and resounding applause for the exceptional quality and relevance of the program.

CIBE continues to affirm its mission to groom visionary, globally-minded entrepreneurs and leaders through experiential learning and world-class training.

**Participants were equipped with transformative insights from an esteemed lineup of global experts, including:**

- Prof. Paul Adebayo Adejola**, Training Director, CIBE, USA
- Prof. Patrick Mensah**, Vice Chancellor for Academic Affairs, Southern University, USA
- Tolu Oralusi**, Executive Director, Bserve Solutions, UK
- Bim Osunsami**, UK-based Finance Professional & Compliance Expert
- Ann Healey**, Dean, London College of Contemporary Arts, UK
- Pamela Njemanze**, International President, ACCSA Global, USA

## ABOUT THE CERTIFIED INSTITUTE OF BUSINESS ENTREPRENEURS (CIBE), USA

The Certified Institute of Business Entrepreneurs (CIBE) is a U.S.-based professional institute committed to developing globally competent entrepreneurs. It equips individuals with the tools and mindset to transform business ideas and opportunities into meaningful solutions that enhance personal, institutional, and national prosperity.

### Vision

To be the foremost global hub for entrepreneurial certification, venture capital accessibility, and innovation-driven training that transcends geographic, economic, and social boundaries.

### Mission

To deliver empowering, practical, and high-impact training programs that unlock human potential and enable members to discover, develop, and deploy their skills in a world powered by innovation and creativity.

### Why Join CIBE?

#### 14 Powerful Benefits Await You:

1. Structured, high-quality education in entrepreneurship
2. Mentorship from seasoned business leaders and experts
3. Access to a global network of entrepreneurs and investors
4. Research support via online databases and industry insights
5. Hands-on experience through workshops, case studies, and projects
6. Business incubation and acceleration support for startups
7. Linkages to funding opportunities (venture capital, angel investors, etc.)
8. Development of a bold, adaptive, and innovative mindset
9. Professional recognition and career-enhancing certification
10. Specialized masterclasses, summits, and industry events
11. International partnerships that offer global exposure
12. Continuous professional development in evolving business trends
13. Recognition and awards for innovation and impact

### Who Can Join?

You are eligible for membership if you:

- Pass CIBE's qualifying professional exams
- Hold a recognized qualification in business, science, or social sciences
- Possess a Bachelor's Degree or Higher Diploma in relevant disciplines (e.g., Business Admin, Accounting, Finance, Sciences, etc.)

**ABOSEDE FAMUYIWA, FCBE  
AFRICA REPRESENTATIVE, CIBE USA**

### CIBE's Global Footprint

Through international summits, CIBE empowers members with exposure to worldwide business opportunities, fosters financial independence, and promotes entrepreneurship as a solution to unemployment and poverty—especially in emerging economies.

### Membership Categories

- Fellow Member
- Associate Member
- Student Member (for undergraduates)

### CIBE's Core Message:

"Don't eat all your seeds—come and learn how to plant and re-plant."

Let CIBE be your launchpad to global relevance, innovation, and sustainable success.
